I attest to the fact that (check one):

- I am from the United Kingdom, Ireland, Australia, New Zealand, South Africa or English-speaking Canada and English is my native language.
- I have completed a minimum of four years of academic studies at a high school, college, or university in the U.S. or another English-speaking country as listed in the first bullet point above. *Please include transcript to show four years of study.*
- I have earned a graduate level degree (Master's or PhD) from a college or university in the U.S. or another English-speaking country as listed in the first bullet point above. *Please submit transcripts showing the degree awarded was at least a Master's degree.*
- I have completed UCLA Extension's ALC AIEP Level 107 (or higher), and earned grades of A- (or higher) in the two core subjects, and will complete ESL X433C: Advanced Academic Writing and Presentation Skills.

NOTE: UCLA Extension policy allows some students from our Academic Intensive English Program (AIEP) to request a waiver from providing an English language test for admission into some UCLA Extension certificate programs, however an additional course (ESL X433C: Advanced Academic Writing and Presentation Skills) is required.

This test waiver applies solely to UCLA Extension certificate programs requiring TOEFL scores 83-89 or IELTS Academic score 6.5 or iTEP Academic score 4.5-4.9. It does not apply to certificate programs requiring 90 (or higher) on the TOEFL or 7.0 (or higher) on the IELTS Academic or 5.0 (or higher) on the iTEP Academic.

*Please submit transcripts showing completion of AIEP and grades earned. We recommend completing the requirement of ESL X433C: Advanced Academic Writing and Presentation Skills as soon as possible upon commencing a certificate program.*
