

HEALTH INSURANCE WAIVER FORM

All international students in F-1 status are required to have health insurance while in F-1 status at UCLA Extension. Students who request a waiver of the mandatory insurance must demonstrate that they have comparable insurance coverage each quarter by submitting additional documentation showing proof of coverage (e.g., copy of insurance card, confirmation letter from insurance provider, etc.). To ensure full medical coverage, the health insurance should cover dates starting from the first day of arrival in the U.S. and include breaks and gaps in between quarters. The start and end dates of each quarter can be found on the Academic Calendar: <https://www.uclaextension.edu/calendar>
